

FOR IMMEDIATE RELEASE
July 31, 2006

District Attorney Nola Tedesco Foulston announces that the grand jury impaneled to investigate the circumstances surrounding the death of 19 year-old Christin A. Gilbert on January 13, 2005 notified the Court today that it has concluded its investigation. The investigation resulted in no indictments being returned. The grand jury, which was convened in response to a citizen initiated petition drive, commenced its investigation on May 22. The grand jury performed its obligation in requesting and reviewing relevant evidence and law in the matter and has been discharged by Judge Richard Ballinger upon completion of its duty.

The petition calling for the grand jury requested an investigation into alleged violations of the law, including but not limited to unintentional second degree murder, involuntary manslaughter, mistreatment of a dependent adult, and violations of the state's abortion and mandatory child abuse reporting laws.
