TAPE - 749

(Dialing, phone ringing 2x)

CLINIC: Wichita Family Planning.

CALLER: Hi. Yeah. I was calling to see if you guys do abortions there.

CLINIC: Yes, we do.

CALLER: How much does it cost for that?

CLINIC: How far along are you?

CALLER: I'm not really sure.

CLINIC: Anything under 12 weeks is \$400 if you are a positive blood type.

CALLER: Okay. How do you know how many weeks you are?

CLINIC: Do you know the first day of your last period?

CALLER: January 3rd.

CLINIC: And that was the first day, right?

CALLER: Yes.

CLINIC: Today you're looking at about nine weeks.

CALLER: Okay. So how much did you say it would be?

CLINIC: Four hundred dollars if you're a positive blood type.

CALLER: Okay. The thing is, I'm going to be 14 later on this month, and my friend said that you guys would have to tell my parents. But my boyfriend's 22. Is that old enough to take care of it, and you wouldn't have to tell anybody?

CLINIC: Oh, no. In the state of Kansas we have to have parent consent.

CALLER: Oh, really?

CLINIC: Um-hmm.

CALLER: Well, is there any way not to have to tell my parents?

CLINIC: There is such a thing called judicial bypass, although we don't mess with that here in our clinic. You could call over to Dr. Tiller's (ph) clinic, and maybe they could help you with that.

CALLER: Okay. Do you have the number for that?

CLINIC: Are you calling from Wichita?

CALLER: I'm in Leon.

CLINIC: Okay. It's 1-800-882-0488.

CALLER: What was the last four, 882 what?

CLINIC: 882-0488.

CALLER: Okay. All right. Well, I haven't had a pregnancy test yet. Would I be able to come in there for that?

CLINIC: Sure.

CALLER: Okay. But would you have to tell my parents then?

CLINIC: No.

CALLER: Well, how much does it cost for that?

CLINIC: Five dollars.

CALLER: Oh, okay. So it would be all right if my boyfriend was there with me for that?

CLINIC: Sure. Sure.

CALLER: But if I wasn't pregnant, could I get birth control from you guys?

CLINIC: Not without consent.

CALLER: Oh, really?

CLINIC: Um-hmm. You could go to Planned Parenthood.

CALLER: And they wouldn't have to tell anybody?

CLINIC: Uh-uh.

CALLER: Oh, okay. All right. So just call this other doctor guy?

CLINIC: Uh-huh. Yeah. And just ask him about the -- first I'd find out if I was pregnant.

CALLER: Okay. So I could come in to you guys? When do you guys normally do that?

CLINIC: On Wednesdays.

CALLER: On Wednesday? What time on Wednesday?

CLINIC: For the procedure or --

CALLER: The pregnancy test.

CLINIC: Anytime.

CALLER: What are your hours?

CLINIC: 9 and 4.

CALLER: Tomorrow too?

CLINIC: Um-hmm.

CALLER: All right. Well, I've got to call my boyfriend and see. But if I had any other questions, could I call and talk to you? What was your name?

CLINIC: My name is Michele.

CALLER: All right. Okay. Thanks. Bye.

END
