RE: Romeo Ferrer, M.D.

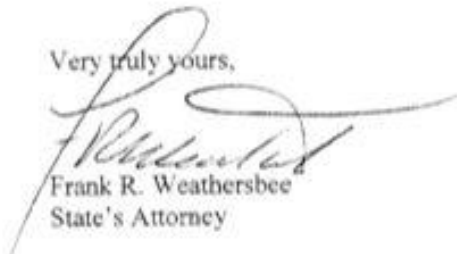

Dear Sergeant Clark:

Please see the attached packet sent to me from Matt Paavola. As you will note, the information contains a Complaint concerning Dr. Romeo Ferrer before the Maryland State Board of Physicians. The allegations regarding the underlying situation are detailed in the Complaint and reference the death of a 21 year-old woman in Dr. Ferrer's care.

Mr. Paavola and the Defend Life organization have suggested the matter be investigated for possible criminal charges. As the matter concerns a possible investigation of a homicide, I am forwarding you the letter and complaint received by my office for your review and consideration.

You will note from the Complaint that the results of additional hearings before the Board of Physicians may still be outstanding. Please feel free to contact me should you need assistance with this matter.

Very truly yours,

Frank R. Weathersbee  
State's Attorney
