

THE WICHITA AWAKENING

JULY 14-16, 2007

A PROPHETIC CALL TO END ABORTION AND SEEK REVIVAL

On July 7, (07/07/07) 100,000 young people will gather in Nashville, Tennessee, for a Solemn Assembly to cry out for repentance and national revival.

The desire of this emerging generation is to see the Holy Spirit bring a dramatic spiritual shift across America which will produce culture reformation and radical change. (See theCall.com) Immediately after the event, hundreds of young people will join a caravan that will travel across country to San Francisco.
