At approximately 7:20 p.m., Ms. Rojas called your Affiant and advised the baby's mother's name was Sycloria Williams, hereinafter referred to as The Complainant, and her home address. At approximately 10:50 hours, your Affiant at the Complainant's home and spoke with her. The Complainant advised on Thursday, 20 July 2006, at approximately 9:30 a.m. she arrived at the clinic for a pre-scheduled abortion. At approximately 2:30 p.m. the Complainant gave birth in the recovery room of the clinic. The Complainant observed the baby moving and gasping for air for approximately five (5) minutes. The staff began screaming that the baby was alive; at which time, Ms. Belkis Gonzalez cut the umbilical cord, threw it into a red bag with black printing. Ms. Gonzalez then swept the baby, with her hands, into the same red bag along with the gauze used during the procedure.

After the police had searched the business on 22 July 2006, additional information was received as to the whereabouts of the body and/or the remains of the baby. On July 28, 2006, a source that your Affiant has been speaking with, informed your Affiant that the body of the baby was tossed on the roof top of said building then later retrieved and placed back into the business. Your Affiant believes that the body of the baby and/or the remains of the body are inside of the business. The business is owned by Belkis Gonzalez and Siomara Senises. Siomara Senises has consented to allow your affiant and Hialeah Police Officers to search the business located at 3671 W 16 Avenue, Hialeah, Florida.

WHEREFORE, Affiant prays that a Search Warrant be issued commanding the Director of the Miami-Dade Police Department, Miami-Dade County, Florida, who is also known as the Sheriff of Metropolitan Miami-Dade County, Florida, or his Deputies, and the Commissioner of the Florida Department of Law Enforcement, or any of his duly constituted agents, and all Investigators of the State Attorney of the Eleventh Judicial Circuit of Florida, and the Chief of Police for the City of Hialeah, or any of his duly qualified officers, Miami-Dade County, Florida, with the proper and necessary assistance, to search "The Premises" above-described, and all spaces therein, and the curtilage thereof, for "The Property" above-described, making the search in the Daytime or the Nighttime, as the exigencies may demand or require, or on

Sunday, and if the same be found on "The Premises" to seize the same as evidence and to arrest any person in the unlawful possession thereof.

including but not limited to, blood, embriotic fluids; trace evidence, including but not limited to, DNA, hair fibers; latent prints;

Medical instruments, including but not limited to, forcepts, syringes, scalpel, scissors, clamps, I.V.'s, sutures; biohazard disposal containers, including but not limited to, waste recipticles, sharp containers, plastic bags; disposable medical garments, including but not limited to, gloves, gowns, scrubs, booties, hats, face shields;

Medical records, including but not limited to, patient files, employee scheduling, time cards, sign-in sheets, calendars, insurance documentation, referrals, billing statements,

hereinafter referred to as "The Property".

Affiant's reasons for the belief that "The Premises" are being used as stated above and that the felony aforesaid has been committed and that "The Property" above-mentioned is being concealed and stored at "The Premises" above-described and the facts establishing the grounds for this affidavit and the probable cause for believing that such facts exist, are as follows:

On 20 July 2006 at approximately 6:57 p.m. an anonymous female called the Hialeah Police Communications Section advising that a baby had been born alive and killed by the staff at the clinic located at 3671 West 16th Avenue, Hialeah, Fl. Marked Hialeah Police Patrol Units responded and found the clinic had closed.

On 21 July 2006 at approximately 10:00 a.m. Ms. Betty Rojas called the Hialeah Police Department and spoke with Homicide Sergeant K. Hart (ID #04-0721). Ms. Rojas advised she spoke with the anonymous female caller who told her the day before a baby had been born, alive in the clinic, and was subsequently killed by the staff. According to Ms. Rojas, the doctor drowned the baby and placed the body into a plastic bag containing chloride which will dissolve the remains of the baby. Ms. Rojas then verified, to Homicide Sergeant K. Hart, the address to the clinic (3671 West 16th Avenue, Hialeah, Fl).
