## Facts:

- Hamilton was an abortionist who had a history of spousal abuse. His wife, Susan, thought he was having an affair with a stripper. Susan worked as a physician's assistant in Hamilton's abortion clinic.
- On Valentine's Day, 2001, Hamilton bludgeoned his wife to death.
- Susan Hamilton was attacked with such extreme violence that her autopsy photos made members of the jury cry.
- Hamilton was convicted and sentenced to life in prison.
- Disciplinary action was filed against Hamilton's medical license in 2002. It took until 2005 until his license was officially suspended. It has since expired.
