ABORTION & GYNECOLOGICAL SERVICE FEE SCHEDULE

Do you need assistance with the cost of an abortion? Financial assistance is available for those who qualify. Ask your phone counselor for more information when you call for an appointment.

To ensure confidentiality we do not send bills for abortions. Fees are all-inclusive and counseling, lab, local anesthesia, physicians fee, and birth control information. A post-op exam and RhoGam for Rh- women is an additional modest charge. Full payment must be made on the day of the abortion in the form of money orders, cashier's check, American Express, MasterCard, VISA, Discover, or cash. The credit card holder must be present to sign the sales receipt if a credit card is used. For collection reasons, we do not accept personal checks. This policy allows us to keep costs to a minimum.
